Replying to the list

Use your mail program's Reply feature

Note: Responses go to the list, not the original sender!

Web page for the mailing list

<http://bngonline.org/mailman/listinfo/bng>

From this page you can access the list archives, change your subscription options, or request a password reminder.

Mailing list archives

<http://bngonline.org/mailman/private/bng/>

Your email address and password are required to access the archives.

What's my password?

If you've forgotten your password, go to

<http://bngonline.org/mailman/listinfo/bng>

and use the Password Reminder feature under BNG Subscribers

Changing your subscription options

Go to

<http://bngonline.org/mailman/listinfo/bng>

and enter your email address and password under BNG Subscribers. On the next page, click on your email address in the subscribers' list. You can select digest vs. non-digest mode, temporarily disable receipt of mail (e.g. if you are going on vacation), and set other options.
